## 2018 NAVFAC Design Awards Entry Form

**Principal Designer(s)**

*Identify only the lead design entity.*

*If a joint venture, identify each participating firm in the joint venture. Do not identify consultants.*

*If a project or product was accomplished in-house, identify only the NAVFAC Command and business line (execution component).*

*For design-build projects, identify the design-build Phase II (Post Award) principal architect-engineer (AE) or other professional design firm.*
