RE: Draft Investigation of the Hawthorn Formation - Addendum No. 1 for Operable Unit 4, Naval Training Center Orlando, Orlando, Florida.

Dear Mr. Sanford:

I have completed my review of the Draft Investigation of the Hawthorn Formation - Addendum No. 1 for Operable Unit 4, Naval Training Center Orlando, dated November 2009 (received November 11, 2009), prepared and submitted by Tetra Tech NUS, Inc. The report adequately describes the results of the investigation to this point. The conclusions and recommendations made in the report are acceptable to the Department. Please provide a Professional Geologist Certification page that is signed and sealed by a Professional Geologist with the finalized report.

If you have any concerns regarding this letter, please contact me at (850) 245-8997.

Sincerely,

David P. Grabka
