Re: Navy Assessment and Control of Installation Pollutants (NACIP) Program, In-Progress Review

Dear Mr. Meyer:

We request you or a representative of your office attend this review on January 21, 1987. Details and a location map are enclosed with an information package.

The purpose of this review is to present groundwater, soil-gas, and other environmental monitoring accomplished to date and to update State officials on NACIP milestones.

To assist in your visit, overnite accomodations are available in the Bachelor Officers Quarters for a fee of $11.00. Please advise Mrs. Jarman, Facilities Department, 919-451-3034 by 14 January of the name(s) of personnel desiring BOQ accomodations.

We look forward to discussing these very important issues with you.

Sincerely,

T. J. DALZELL
Colonel, U. S. Marine Corps
Assistant Chief of Staff, Facilities
By direction of the Commanding General
