

The background image shows a coastal wetland with dense green vegetation, including palm trees and other tropical plants, growing along a shoreline. The water is calm, reflecting the surrounding greenery. In the foreground, there is a graphic element consisting of three overlapping diagonal bands: a light blue band at the bottom, a light green band above it, and a darker blue band at the top. Overlaid on this graphic is the text "Vieques Environmental Restoration Program".

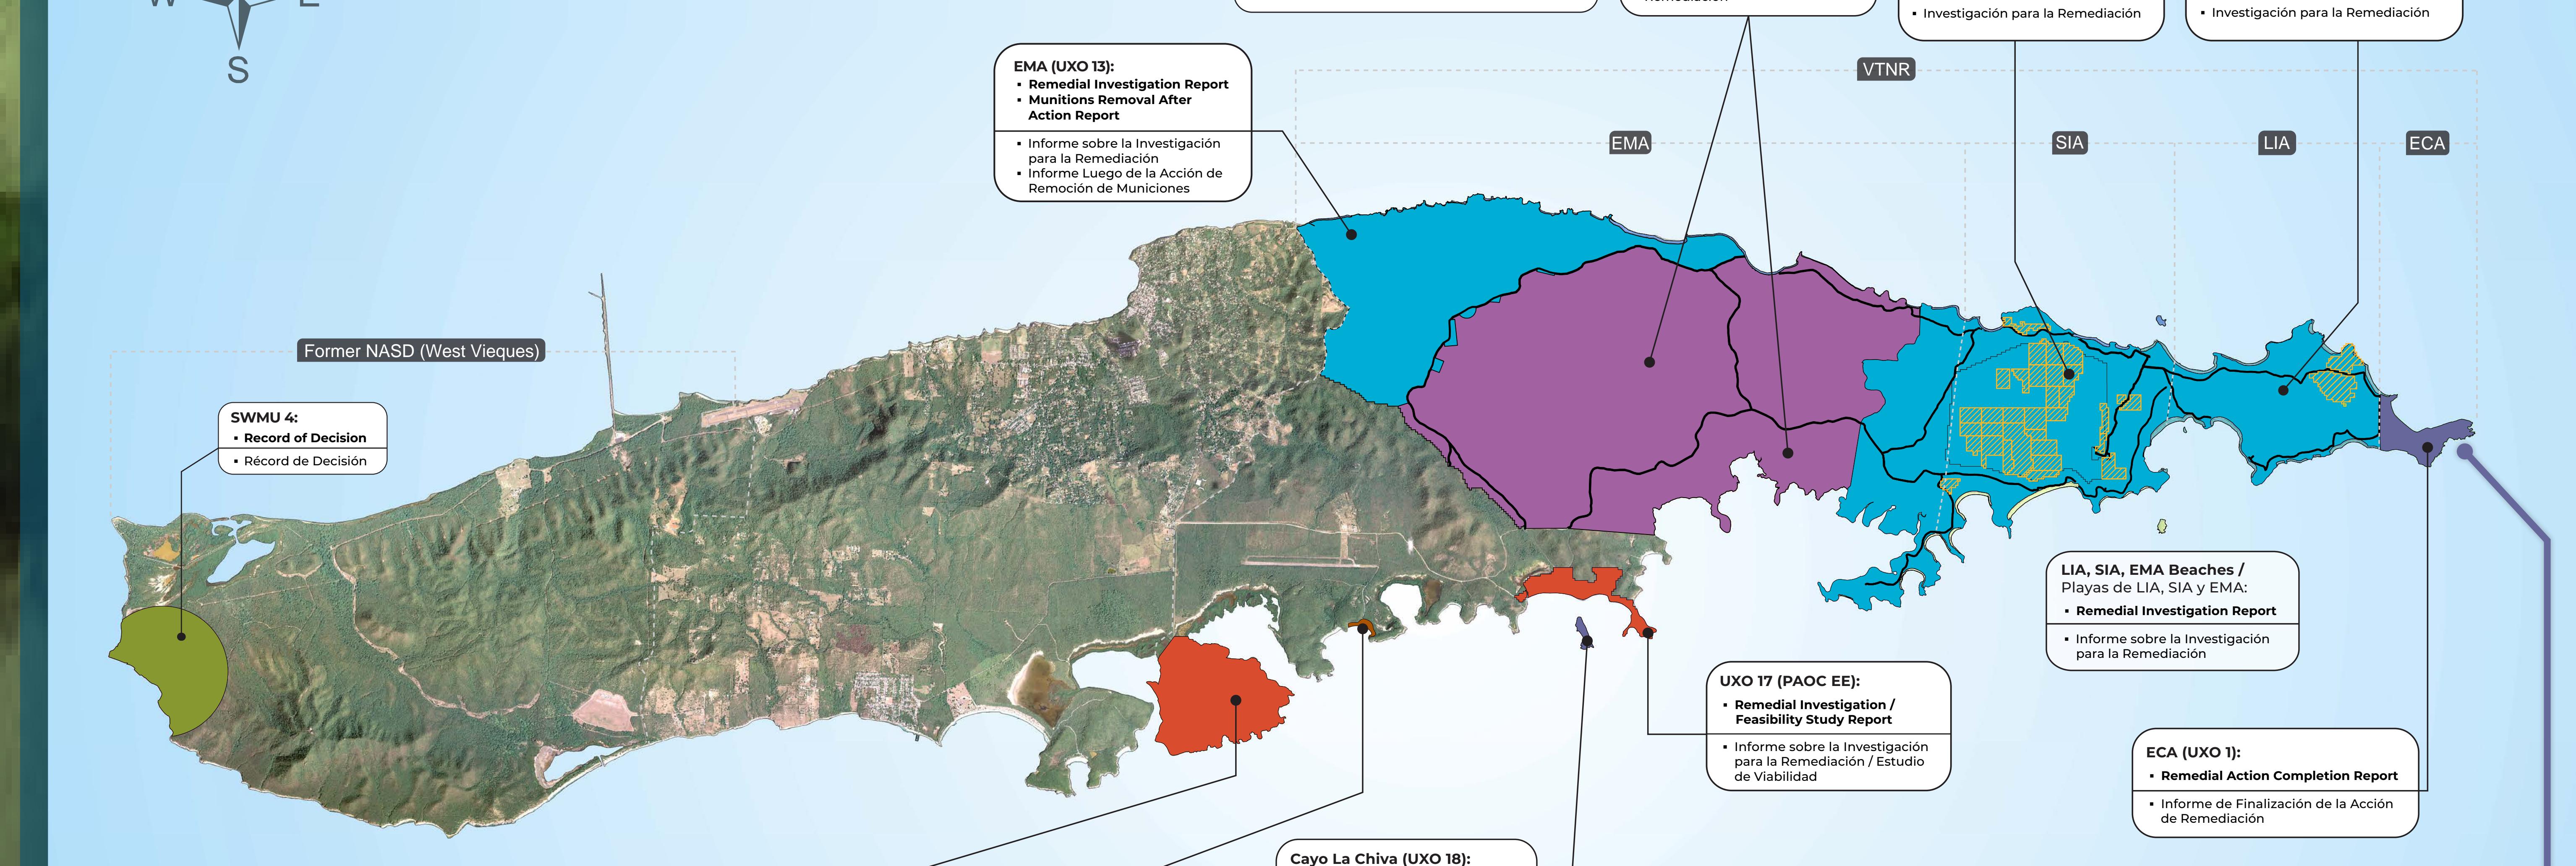

Munitions Response Sites

Respuesta a Municiones en Vieques

A blurred background image of a dense green forest or bushes, with a white curved shape in the foreground.

A temporary water-filled dam was installed and the area dewatered to aid in removal of the encrusted items

Se instaló una represa temporal llena de agua y el área se drenó para ayudar a remover los objetos incrustados.

A wide-angle photograph showing a person from the waist up, facing right. They are wearing a light green short-sleeved shirt, blue jeans, and a dark green knitted beanie. They are holding a long, thin metal detector probe with both hands, pointing it towards the ground. The ground is covered with wet, dark brown seaweed and some white, foamy debris. In the background, the ocean is visible with white-capped waves crashing onto the shore. The sky is overcast.
