AVAILABILITY OF DRAFT PHASE IIA SUPPLEMENTAL COMPREHENSIVE SITE ASSESSMENT–RISK TO THE ENVIRONMENT REPORT
Extension of Comment Period
Nomans Land Island, Chilmark, MA
RTN# 4-13390

A Phase IIA Supplemental Comprehensive Site Assessment (CSA), focusing on the risk to the environment, has been performed at the above referenced location and a Draft Report has been completed. This Phase IIA CSA was performed as a supplement to the Phase II CSA, that was completed in March 2001 and addresses the work performed in 2001 on the site to further evaluate the risk to the environment. A release of oil/or hazardous material has occurred at this location which is a disposal site. A Phase I Initial Site Investigation was completed in October, 1998.

The United States Department of the Navy (Navy) received a petition from residents within the vicinity of the Chilmark community requesting this location to be designated as a Public Involvement Plan (PIP) site. The PIP was drafted and presented during a public meeting on July 19, 2000. The PIP is a plan for involving the public regarding remedial response actions for the referenced location. The Navy had designated this site as a PIP site on May 30, 2000.

The Draft Phase IIA Supplemental CSA Report was supplied to the public information repositories listed below on May 24, 2002 and is available for comment.

* Aquinnah Township Building
