23 JAN 1985

From: Commanding Officer, Naval Construction Battalion Center, Gulfport
To: Chief, Environics Division, Tyndall Air Force Base, Florida (RDVW)

Subj: CURRENT STATUS OF HERBICIDE ORANGE AREA

Ref: (a) PHONCON Tyndall AFB (AFESC/RDVW) Captain Terry Stoddart/CBCGPT (Code 470) Mr. Jim Cluff

Encl: (1) Request for information from local municipality

1. As discussed during reference (a), request AFESC update the Herbicide Orange Site Treatment and Environmental Monitoring Summary contained in enclosure (1). The updated summary should include a brief history of the area, a description of past actions and findings, a description of current actions and findings and a description of planned or proposed actions.

2. The updated summary will be provided to the municipalities that are located near the Center. Please furnish this information as soon as possible so that we may respond to enclosure (1) in a timely manner.
