Dear Mr. Butler:

We are forwarding to you a copy of the contractor's work plan concerning RCRA Facility Investigation (RFI) at Naval Submarine Base, Kings Bay, Georgia for your files and review. This detailed work plan explains how our contractor, ABB Environmental Services, Inc. will execute the RFI Work Plan approved by your office 26 September 1990.

We are notifying the contractor to proceed based on this work plan to enable them to get the first round of samples by January 1992. We will notify you by telephone when initial field work will begin as you requested earlier.

We are looking forward to working with you on this project . If you have any questions, the point of contact is Mr. James More, Environmental Engineer, Telephone (912) 673-4759.

Sincerely,

// S //
