Dear Ms. Muckerman:

RE: DRAFT REMEDIAL INVESTIGATION WORK PLAN, SAN DIEGO BAY BOAT CHANNEL, SITE 12, NAVAL TRAINING CENTER (NTC), SAN DIEGO

The Regional Water Quality Control Board (RWQCB) staff has completed our review of the Response to Agency Comments, dated November 18, 1997 and April 3, 1998, for the above referenced document, dated April 1997. The RWQCB did not provide written comments on this work plan and therefore have no objections to the Navy proceeding with this phase of the proposed investigation.

If you have any questions regarding this letter, please contact me at (619) 467-2980.

Sincerely,

Corey M. Walsh

COREY M. WALSH, Associate Engineering Geologist
Site Mitigation and Cleanup Unit
