MEMORANDUM FOR THE RECORD

Subj: FORMAL ADJOURNMENT OF THE NAVAL AIR STATION KEY WEST
RESTORATION ADVISORY BOARD

Ref: (a) 32 CFR Chapter 1 Section 202.10
(b) Restoration Advisory Board Minutes dtd 23 July 2019

1. Per reference (a), a Commanding Officer may adjourn a Restoration Advisory Board (RAB) with input from the community, when there is no longer sufficient, community interest to sustain the RAB, as documented by the installation with RAB community members and community-at-large input.
2. As described in reference (b), I support the recommendation of the RAB to adjourn based on the lack of sufficient and sustained community interest. Naval Air Station, Key West will continue to monitor and reassess community interest that could warrant reactivating or reestablishing the RAB at least every 2 years per reference (a).
3. My point of contact regarding this matter is Mr. Edward Russell, Installation Restoration and Munitions Response Program Manager, he may be reached at COMM: (305) 797-4461 or via e-mail: edward.o.russell@navy.mil.
