North Charleston, SC 29419-9010

RE: Sampling and Analysis Report, Facility 200 and 203, Naval Air Station Cecil Field, Florida.

Dear Mr. Davidson:

I have completed the technical review of the Sampling and Analysis Report, dated April 1999 (received April 23, 1999) submitted for the above-referenced facility. FDEP concurs with the recommendation of no further action.

FDEP's concurrence is predicated on the information provided by the SOUTHNAVFACENGCOM. Therefore, any new information contradicting the basis for this concurrence, may require further investigation or remedial actions.

If you have any concerns regarding this letter, please contact me at (850) 921-9991.

Sincerely,

Michael J. Deliz
