**Reminder: Public Comments Accepted Until Jan. 2
for PA Memo in Support of the Marine Corps Relocation to Guam**

PEARL HARBOR-HICKAM – Naval Facilities Engineering Command (NAVFAC) Pacific issued today a reminder that the 45-day public comment period, for new information associated with a proposed project from the Harmon Substation to AAFB Main Station within Existing Easements, Routes 3, 3A and 9 Right of Ways, in support of the Marine Corps Realignment continues through Friday, Jan. 2, 2015 Chamorro Standard Time (ChST).

Comments are being accepted for the Department of Defense's (DoD) identification and evaluation of historic properties and its determination of effect for P-102 Harmon Power Upgrade Programmatic Agreement (PA) Memo #1.

This project proposes construction and associated efforts for the Harmon Power Upgrade between the existing Harmon Substation located near the intersection of Routes 1 and 3 to the main station at Andersen Air Force Base (AAFB), primarily within existing easements and right of ways along Routes 3, 3A and 9.

The information can be found on the NAVFAC Pacific Cultural Information (CRI) website at <http://go.usa.gov/kZWG>. (Please note the URL is case sensitive). Comments may be submitted via email to criwebcomment@navy.mil.

Those without internet access can obtain a hard copy of the PA Memos from the Guam Historic Resources Division, located at 490 Chalan Palasyo, Agana Heights, 96910 (in the Department of Parks and Recreation Office).
