Action Memorandum

Areas of Concern J and R and Solid Waste Management Units 6 and 7 Former Naval Ammunitions Support Detachment, Vieques, Puerto Rico

DATE: February 1, 2009

SUBJECT: Non-time-critical Removal Action at Areas of Concern J and R and Solid Waste Management Units 6 and 7

FROM: NAVFAC/CH2M HILL Vieques Environmental Restoration Program

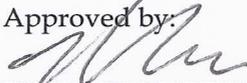

TO: Commander
Atlantic Division
Naval Facilities Engineering Command

This Action Memorandum documents approval for the Non-time-critical Removal Action as described herein for Area of Concern (AOC) J, AOC R, Solid Waste Management Unit (SWMU) 6 and SWMU 7 at the Former Naval Ammunitions Support Detachment, Vieques, Puerto Rico (CERCLIS ID No. PRN000204694). This Action Memorandum serves as the Decision Document for the Engineering Evaluation/Cost Analysis for AOC J, AOC R, SWMU 6, and SWMU 7 prepared under separate cover.

This Decision Document documents selected Non-time-critical Removal Actions (NTCRAs) for AOC J, AOC R, SWMU 6, and SWMU 7 and was developed in accordance with the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA), as amended, and is consistent with the National Oil and Hazardous Substance Pollution Contingency Plan (NCP). This decision is based on the administrative record for the site.

Conditions at AOC J, AOC R, SWMU 6, and SWMU 7 meet the NCP section 300.415(b)(2) criteria for remedial action. Naval Facilities Engineering Command recommends approval of the proposed removal action. The total estimated cost to complete the remedial action is estimated to be \$2,057,095. Response actions should commence as soon as practical to expedite remediation.
