Subject: **Draft Final** Sampling and Analysis Plan to Support the Feasibility Study for
Installation Restoration Program (IRP) Site 16
Former Naval Construction Battalion Center, Davisville

Dear Mr. Dale:

Enclosed is one copy of the **Draft Final** version of the Sampling and Analysis Plan (SAP) developed to support the Feasibility Study for Site 16 at the Former Naval Construction Battalion Center (NCBC), Davisville. The document reflects the various response-to-comments (RTCs) teleconferences held during March and April 2010. We would like to extend our thanks to the Navy, Region I of the Environmental Protection Agency (EPA), and the Rhode Island Department of Environmental Management (RIDEM) for their efforts to resolve the comments received on the draft version of the document in a timely fashion. The draft final version of the SAP was distributed as indicated below.

Please call me at 412-921-8887 if you have any questions regarding the enclosed document. A PDF version of the document will be distributed in the near future.

Sincerely,

Lee Ann Sinagoga
Contract Task Order (CTO) Manager
