Dear Mr. Reis:

Enclosed please find the Final Work Plan for the Maintenance Cleaning of the QDC Outfall 001 Drain Line and Associated Catch to be conducted at Operable Unit 10 (OU10) at the Former Naval Construction Battalion Center (NCBC) Davisville, North Kingstown, Rhode Island. The document describes the field activities anticipated to be completed at OU10 in December 2013. The attached Coastal Zone Consistency Determination was completed for the proposed work in accordance with Title 15 of the Code of Federal Regulations, Part 930 Subpart C, Consistency for Federal Activities to the extent consistent with *42 U.S.C. section 9621(e)(1)*. The Navy has determined this action is consistent with the Rhode Island Coastal Resources Plan to the maximum extent practicable.

If you have any questions regarding the Work Plan or concerns regarding the planned field activities for OU10 please contact me at (617) 753-4656. Thank you in advance for your review of our documents.

Sincerely,

A handwritten signature in blue ink, appearing to read "David Barney", is written over a blue horizontal line.
