Stone Project No. 102305-R-A
FUDS Project Number: D01RI0029 05
CENAE Project Number: 108346
Contract Number: W912WJ-11-D-0001

Subject: Final Remedial Investigation/Feasibility Study
Former Nike Battery PR-58 and Disaster Village Training Area
North Kingstown, Rhode Island

Dear Mr. Dale,

On behalf of the U.S. Army Corps of Engineers (USACE), Stone Environmental, Inc. (Stone) is pleased to present for your review one (1) copy of the enclosed *Final Remedial Investigation/Feasibility Study Report* for the Former Nike Battery PR-58 and Disaster Village Training Area, located in North Kingstown, Rhode Island. An electronic copy of the document and appendices is included on 2 attached compact disks.

This report was prepared by Stone under contract to USACE and has been reviewed by a technical editor. This submission has been subjected to review and coordination procedures to ensure:

- (a) Completeness for each discipline commensurate with the level of effort for this submission;
- (b) Elimination of conflicts, errors, and omissions; and
- (c) Overall professional and technical accuracy of this submission.

Please feel free to contact me or Casey Haskell (USACE Project Manager) at 978-318-8398 with any questions or comments.

Sincerely yours,

Bette L. Nowack, PE
