Phoebe,

We have reviewed the RTC on the ESD and the revised ESD, and concur that all the changes have been made and incorporated into the ESD. Therefore, the RTC and ESD are acceptable to this office.

Thanks for the prompt review of the ESD. RTCs have been prepared, PDFs are attached. They will be sent out today via FedEx along with a CD containing the lab reports requested by Dave Chaffin.

The ESD has been revised in accordance with the RTCs and mailed to the RAB/BCT mailing list with the attached notice regarding the 15-day public comment period. You will be receiving paper copies in the mail.
