Re: Explanation of Significant Differences from the 2003 Record of Decision for OU2, the Rubble Disposal Area

Dear Ms. Call:

Per the Navy's direction, I am enclosing the fully executed original for the Explanation of Significant Differences (ESD) from the 2003 Record of Decision for OU2, the Rubble Disposal Area. As you know, a copy should be placed in the Administrative Record for the former South Weymouth Naval Air Station Superfund site. Please submit an electronic copy of this signed ESD to EPA at your earliest convenience.

I appreciate your efforts in meeting this commitment and look forward to working with you and the rest of the team on the remaining investigations and clean ups. Please contact me at (617) 918-1385 with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Kimberlee Keckler".
