Attached is a PDF of the draft Action Memo for AOC 55C. The copies of the document are being sent out FedEx today.

Now that the EE/CA and RAWP have been finalized, the NTCRA will commence in January after the Action Memo is finalized and signed. Please note the schedule for the NTCRA included in Item 8.e. of the Action Memo. To complete the removal action during the winter to minimize the impact on the wetlands, the activities are scheduled to begin January 18, 2010.
