Cecil Commerce Center and Cecil Field Airport Restoration Advisory Board (RAB) Steering Committee Meeting Minutes Tuesday, October 15, 2002

Introduction

The October meeting of the Cecil Field Steering Committee was held in the Conference Room of Building 82 at the Cecil Field Airport on October 15, 2002 at 6:30 PM. The meeting was a joint meeting of the Steering Committee and the Base Realignment and Closure (BRAC) Cleanup Team (BCT).

The following Steering Committee members, Partnering Team members and administrative personnel attended: Richard Darby (Community Co-Chair), Diane Peterson (Alternate Community Co-Chair), Scott Glass (SOUTHDIV), Mark Davidson (SOUTHDIV), Debbie Vaughn-Wright (U.S. EPA), David Grabka (FDEP), Paul Malewicki (J.A. Jones), Mark Speranza (TtNUS), Mark Jonnet (TtNUS), and Ralinda Miller (TtNUS).

The meeting was called to order at 6:40 P.M. Meeting minutes from the July Steering Committee meeting were approved with no changes. The release of the Proposed Plan for Sites 57 and 58 will be timed with a scheduled RAB Meeting to allow an opportunity for public comment. Richard attended a recent meeting of the Special Committee on Cecil Field and heard that the City intends to close the golf course because it is unprofitable. Diane Petersen suggested writing a letter to express our feelings. The Navy cannot write such a letter, but community members could. Richard suggested that it might be better to meet with the City Parks and Recreation people who actually oversee the course.

Meeting Agendas

Future RAB agenda topics were discussed. The following were the suggested agenda topics for the January RAB meeting:

- Site 15 Update
- Sites 36 and 37 Air Sparging System Update

- Update on Day Tank 1 Supplemental Soil Sampling

A possible topic for the April 2003 meeting is the Site 49 Proposed Plan.

The January meeting date was tentatively set for the third Tuesday of the month, January 15th.

The meeting was adjourned at 6:55 P.M.
