RE: Concurrence with the Record of Decision, Operable Unit 12,
Site 42, Former Boiler House/Steam Plant and General
Storehouse, Naval Air Station Cecil Field, Florida

Dear Mr. Davidson:

Please find attached a signed letter concurring with the selected remedy of No Further Action as written in the Record of Decision for Operable Unit 12, Site 42, Former Boiler House/Steam Plant and General Storehouse, Naval Air Station Cecil Field. Please note that the Department has previously concurred with No Further Action at this site in a letter dated April 1, 2002.

If I can be of any further assistance with this matter, please me at (850) 245-8997.

Sincerely,

David P. Grabka, P.G.
Remedial Project Manager

Dear Mr. Davidson:

The Department of Environmental Protection concurs with the Navy's selected remedy of No Further Action at Operable Unit 12, Site 42, Former Boiler House/Steam Plant and General Storehouse, Naval Air Station Cecil Field. Interim Remedial Actions have remediated this site so that No Further Action is required to protect human health and the environment.

If you have any questions concerning this letter of concurrence, please contact Mr. David P. Grabka, our NAS Cecil Field Remedial Project Manager, at (850) 245-8997.

Sincerely,

John M. Ruddell, Director
Division of Waste Management
