Subject: OU 10, Site 25 Proposed Plan

Hello all,

Just finished going through the May 2003 draft proposed plan. Looks much better. Still have a few easy to fix comments:

1. Page 1, 'About This Document. Should be Section 117 (a).
2. Page 4. 'About This Document' , last sentence. The PP states that information can be found in the Administrative Record, but it does not state where the record is kept. Please add this information.
3. Need to identify the ARARs evaluated. Please add a table showing the ARARs. If this information was added and I just missed it please let me know where you added it.
4. Please add a statement somewhere in the PP that the RAB was briefed and when.

Looking forward to seeing you all in a few weeks,
