PERMIT NUMBER: 13526-HH-004
Duval County

Dear Capt. Paul G. McMahon:

Permit 13526-HH-004 was recently issued to the Naval Air Station Cecil Field on February 18, 2004. This permit inadvertently included a typographic error. In order to correct the Permit to include the expiration date, the Department must, in accordance with Section 403.722(13), Florida Statutes, and Rules 62-730.290 and 62-4.050(4)(s)1, Florida Administrative Code, issue a minor modification to correct the typographic error. The expiration date of the permit is corrected to be February 18, 2009.

This modification becomes effective immediately. All other conditions of the permit remain unchanged. This letter must be attached to the existing Permit, and becomes part of that Permit.

If you have any questions or need additional information, please contact John Griffin at (850) 245-8785.

Sincerely
