RE: Operations and Maintenance Status Reports, Air Sparging System, Jet Engine Test Cell, First, Second, Third and Fourth Quarter 2004, Naval Air Station Cecil Field, Florida.

Dear Mr. Davidson:

I have completed my review of the Operations and Maintenance Status Reports, Air Sparging System, Jet Engine Test Cell, First, Second, Third and Fourth Quarter 2004, Naval Air Station Cecil Field, dated August 2004, December 2004, February 2005 and June 2005, respectively (received August 17, 2004; December 22, 2004; February 18, 2005; and June 15, 2005, respectively), prepared and submitted by CH2M Hill Constructors, Inc. This letter is to acknowledge the Department's receipt of these reports and to verify that the information contained within those reports is acceptable to the Department. I concur with the recommendation to continue operation of the air sparging system.

If you have any concerns regarding this letter, please contact me at (850)245-8997.

Sincerely,

David P. Grabka, P.G.
Remedial Project Manager
