RE: Site Management Plan for Fiscal Year 2007, Naval Air Station Cecil Field,  
Jacksonville, Florida.

Dear Mr. Davidson:

I have completed my review of the Site Management Plan for Fiscal Year 2007, Naval Air Station Cecil Field, dated November 2006 (received November 16, 2006), prepared and submitted by Tetra Tech NUS, Inc. The March 19, 2007 submission of the updated Site Management Plan for petroleum cleanup sites at Navy facilities in Florida has superseded my comments on the Petroleum Program Schedule in Appendix B. Therefore, the Department can accept the Site Management Plan as final with regard to the Installation Restoration Program and Base Realignment and Closure Program sites' schedules.

If you have any concerns regarding this letter, please contact me at (850)245-8997.

Sincerely,

David P. Grabka, P.G.

Remedial Project Manager
