RE: Field Task Modification Report, Site 5, Task Modification No. 3, Naval Air Station
Cecil Field, Jacksonville, Florida.

Dear Mr. Sanford:

I have reviewed the Field Task Modification Report (FTMR), Site 5, Task Modification No. 3, Naval Air Station Cecil Field, dated February 20, 2012 (received February 24, 2012), prepared and submitted by Tetra Tech, Inc. The FTMR included revised UFP-SAP Work Sheets and Figures. A revised version incorporating responses to EPA's comments of March 19, 2012 on the FTMR was received by e-mail March 21, 2012. I have no comments on the revised FTMR. The work should proceed as specified in the Sampling and Analysis Plan.

If you have any concerns regarding this letter, please contact me at (850) 245-8997.
