RE: Final Proposed Plan for Operable Unit 5, Site 15, Naval Air Station Cecil Field,
Jacksonville, Florida

Dear Mrs. Nwokike:

I have completed my review of the Final Proposed Plan for Operable Unit 5, Site 15, Naval Air Station Cecil Field, dated April 2008 (received by e-mail April 2, 2008). The Proposed Plan adequately describes the selected remedy of excavation of contaminated soil, on-site solidification/stabilization, off-site treatment and disposal, and land use controls. The document is suitable for its intent and the Department has no comments to make on it.

If you have any concerns regarding this letter, please contact me at (850) 245-8997.

Sincerely,

David P. Grabka, P.G.
Remedial Project Manager
