RE: Amended Feasibility Study Report, Operable Unit 5, Site 15, Naval Air Station
Cecil Field, Jacksonville, Florida.

Dear Mrs. Nwokike:

The Department has completed its review of the Amended Feasibility Study Report, Operable Unit 5, Site 15, Naval Air Station Cecil Field, dated April 2008 (received May 1, 2008), prepared and submitted by Tetra Tech NUS, Inc. The report is adequate for its intended use and is accepted as final. I have attached a memorandum from Jeff Lockwood, P.E., certifying that it also meets his approval.

If you have any concerns regarding this letter, please contact me at (850) 245-8997.

Sincerely,

David P. Grabka, P.G.
Remedial Project Manager

Memorandum

TO: David Grabka
FROM: Jeff Lockwood, P.E., BCEE
DATE: May 7, 2008
SUBJECT: Final Amended Feasibility Study Report
Operable Unit 5, Site 15 - Blue 10 Ordnance Disposal Area
NAS Cecil Field
Duval County, Florida

I have reviewed the subject report dated April 2008 (received May 1, 2008). The document is adequate for its intent. The presentation of potential soil remediation alternatives under consideration in the Feasibility Study provides a reasonable range of options with the goal of reducing applicable pollutants that may be potentially harmful or injurious to human health or welfare and animal or plant life in accordance with state requirements described in Chapter 376, F.S.

Mr. Robert F. Simcik, Florida Professional Engineer No. 61263, working on behalf of Tetra Tech NUS, Inc., Certificate of Authorization No. 7988, is the engineer of record for this document.

Jeffrey D. Lockwood, P.E.
