RE: Operations and Maintenance Status Reports, Bioventing and Biosparging Systems, South Fuel Farm, Third Quarter 2003, Fourth Quarter 2003, First Quarter 2004, Annual 2003/2004, Third and Fourth Quarters 2004, Annual 2004/2005, and Third Quarter 2005, Naval Air Station Cecil Field, Florida.

Dear Mr. Davidson:

I have completed my review of the Operations and Maintenance Status Reports, Bioventing and Biosparging Systems, South Fuel Farm, Third and Fourth Quarter 2003, First Quarter 2004, Annual 2003/2004, Third and Fourth Quarters 2004, Annual 2004/2005, and Third Quarter 2005, Naval Air Station Cecil Field, dated January 2004, April 2004, July 2004, December 2004, June 2005, September 2005, and January 2006, respectively (received January 29, 2004; April 2, 2004; July 8, 2004; December 22, 2004; June 15, 2005; September 14, 2005; January 26, 2006, respectively), prepared and submitted by CH2M Hill Constructors, Inc. This letter is to acknowledge the Department's receipt of these reports. The reports all mention that the Navy's CLEAN contractor (Tetra Tech NUS) is evaluating remedial alternatives to supplement and/or modify the existing bioventing and biosparging systems. Please note that Tetra Tech NUS has already submitted a Remedial Action Plan Addendum (July 2004) and the Department has issued a Remedial Action Plan Addendum Approval Order dated August 2, 2004 (attached). Please, either modify the system and implement the actions specified in the RAP Addendum or submit a new proposal.

If you have any concerns regarding this letter, contact me at (850)245-8997.

Sincerely,
David P. Grabka
David P. Grabka, P.E.
