RE: First 2009 Semi-Annual Natural Attenuation Monitoring Report, Day Tank 1,
Former Naval Air Station Cecil Field, Jacksonville, Florida.

Dear Mr. Sanford:

I have completed my review of the First 2009 Semi-Annual Natural Attenuation Monitoring Report, Day Tank 1, Former Naval Air Station Cecil Field, dated July 31, 2009 (received August 6, 2009), prepared and submitted by Solutions - IES, Inc. The report is adequate for its intent. I concur with the recommendation to continue groundwater monitoring semi-annually. I also concur that measuring for free product may be discontinued.

If you have any concerns regarding this letter, please contact me at (850) 245-8997.

Sincerely,

David P. Grabka, P.G.
