Subject: Request for the Abandonment of Zone C Monitoring Wells
Charleston Naval Complex, North Charleston, South Carolina

Dear Paul:

On behalf of the U.S. Navy Southern Division Naval Facilities Engineering Command, CH2M-Jones requests approval for the abandonment of 31 monitoring wells in Zone C of the Charleston Naval Complex. The wells identified for abandonment are not associated with active sites and are not needed for monitoring of active sites. Figure 1 presents the locations of the monitoring wells to be abandoned and Table 1 lists the wells to be abandoned. The well abandonments will be performed in accordance with the South Carolina Well Standards and Regulations (R.61-71).

CH2M-Jones has scheduled to complete the abandonment of these wells in September 2002. If you have any questions, comments, or require additional information please do not hesitate to contact us.

Sincerely,

Mr. Paul Bergstrand, P.G.
