Re: Non-Hazardous Soil Disposal - CSO/746
Charleston County

Dear Mr. Crawford:

This is concerning your February 28, 1997 letter requesting disposal of approximately nine tons of non-hazardous well drilling cuttings from investigative drilling activities on the Charleston Naval Complex to be sent to Southeastern Soil Recovery in Dorchester County for thermal treatment.

Based on the information provided and my conversation with Mr. Todd Dailey on 3/10/97 pertaining to this soil, approval is hereby given to transport this soil to SSR, Inc. for thermal treatment. Should you have questions, please contact me at (803) 896-4121.

Sincerely,

F. M. Carns
