Gentlemen:

Pursuant to Condition No. 20 of Lease No. DACA01-1-76-35, demand is hereby made that the residue of materials left on the pad, and the pad, be removed from the premises, and that the drums of acetone at Construction Battalion Center, Gulfport, Mississippi be removed from the Center within thirty days from the date of this letter.

If, within the stated time, the items are not removed and the premises restored to as good order and condition as that existing upon the date of commencement of the terms of this lease (damages beyond your control and due to fair wear and tear excepted) the Government intends to exercise the option which permits the Government to cause the items to be removed and the premises restored at your expense. In such event no claim for damages against the United States or its officers or agents shall be created by or made on account of such removal and restoration work.

Sincerely yours,

**MELVIN W. DOVITH
Chief, Real Estate Division**
