REPLY TO: RDVW
ATTN OF:
SUBJECT: Final Dioxin Test Results for "NEW" DPDO Storage Area

TO: Commander
Naval Construction Battalion Center
Gulfport, MS 39501
Code 470

1. Reference my letter , same subject, 24 May 85.
2. Test results for the last two soil samples from the "new" DPDO area are negative for 2,3,7,8-TCDD to detection levels of 0.1 parts per billion.
3. No additional soil samples from the subject area are planned. Should you have questions on this topic, please contact me at (601) 864-0056.
