Subj: Request authorized signature for hazardous waste disposal

To: Commanding Officer
Naval Construction Battalion Center
Gulfport, MS 39501
Code 470

1. Reference meeting with commanding officer NCBC on 21 June 85, and RDVW letter on Herbicide Orange waste disposal dated 24 June 85.
2. I am requesting that an appropriate, authorized individual from NCBC sign the two shipping manifests that are required by federal regulation. The two shipping manifests, which cover the Air Force Herbicide Orange research contaminated wastes, will be prepared by Air Force contractors. The shipping manifests will be provided to the designated individual on 26 and 28 June, 1985.
3. Additionally, I am requesting that an authorized individual from NCBC be designated to sign the shipping manifests for any future wastes that may be generated by future Air Force research or environmental monitoring activities.
4. Should you have any questions on this request, please contact me at (904) 864-0056
