Gentlemen:

A Technical Review Committee (TRC) is being organized for the Naval Construction Battalion Center (CBC), Gulfport, MS. The purpose of the TRC is to assist with the implementation of the Department of Defense (DOD) Installation Restoration Program (IRP). The IRP investigates old waste dumps located on defense installations such as CBC Gulfport and provides funds to clean up these sites, if necessary.

We are extending an invitation to you to designate a representative to serve as a member of the CBC Gulfport TRC. The TRC will include representatives from the Environmental Protection Agency, Mississippi Department of Natural Resources, the local community and the Navy. The initial meeting of the TRC will be held in the spring of 1989. The exact time and location will be announced at a later date.

Please notify my office of your decision to serve as a member of the TRC. If you have any questions or comments concerning the TRC, please do not hesitate to contact Mr. Gary H. Horman at 865-2484. Your prompt response to this matter is appreciated.

*Sincerely,*

JAMES R. WILLIAMS  
Commander, CEC, U.S. Navy
