Re: Draft Wetland Delineation Report for Off Base Areas Associated With Site 8 Herbicide Orange Storage Area, Naval Construction Battalion Center, Gulfport, Mississippi, January 2003.

The Mississippi Office of Pollution Control has reviewed the above referenced document. The document appears adequate for the intended purpose and should be issued as final after responding to the concerns of other reviewers.

Please feel free to contact me if I can be of further assistance.

Sincerely,

Bob Merrill
