Re: Site 4 Remedial Investigation Work Plan Addendum, Preliminary Treatability Study
Conceptual Plan, Naval Construction Battalion Center Gulfport, Mississippi, March 2006.

The Mississippi Office of Pollution Control has reviewed the above referenced document. The document is adequate for the intent and satisfies concerns expressed in the comment letter (MDEQ, dated 9 February 2006) addressing the draft version of this document. The document is approved as final. We look forward to working with you on this project.

Please feel free to contact me if I can be of further assistance.

Sincerely,
Bob Merrill
