From: Commanding Officer, Naval Construction Battalion Center, Gulfport
To: Commanding Officer, Southern Division, Naval Facilities Engineering
Command (Code 1142)

Subj: NAVY ASSESSMENT AND CONTROL OF INSTALLATION POLLUTANTS (NACIP) PROGRAM

Ref: (a) PHONCON SOUTHNAVFACENCOM (Code 1142) Mr. James Malone/
CBC Gulfport (Code 470.2) Mr. James Cluff of 24 Jun 86
(b) Draft Verification Work Plan of Naval Construction Battalion
Center, Gulfport dtd 29 May 86

1. As discussed during reference (a), Waste Disposal Site 9 listed in reference (b) no longer exists and should be deleted from the final work plan. Site 9 was a holding area for material accidentally excavated from Site 1. The excavated material was removed, packaged and disposed of as a hazardous waste through our local Defense Reutilization and Marketing Office.

2. If you have any questions, CBC Gulfport's point of contact for environmental matters is Mr. J. H. Cluff at AUTOVON 363-2484, FTS 680-2484 or commercial (601) 865-2484.
