The Honorable Ken Combs
Mayor of Gulfport
P.O. Box 1780
Gulfport, MS 39502

Dear Mayor Combs:

In November of 1988 a Technical Review Committee (TRC) was organized at the Naval Construction Battalion Center (CBC) Gulfport. The purpose of the TRC is to assist with the implementation of the Department of Defense (DOD) Installation Restoration Program (IRP). The IRP investigates old waste dumps located on DOD installations and provides funds to clean up these sites, if necessary.

The committee members consist of a representative from the City of Gulfport, the City of Long Beach, the Harrison County Board of Supervisors, The Environmental Protection Agency, the Mississippi Bureau of Pollution Control, CBC Gulfport and the Commander Naval Facilities Engineering Command. Mayor Urie was a member on the committee representing the City of Gulfport.

The first meeting of the TRC was held 2 March 1989 at which the purpose of the committee was discussed and a proposed charter was placed on the table for discussion. The minutes of this meeting and the proposed charter are attached to this letter as enclosures (1) and (2). The next meeting of the TRC will be held on August 23, 1989, at 10:00 a.m. at CBC Gulfport in the Building 322 conference room. The purpose of this meeting will be to discuss the proposed charter and the status of CBC Gulfport's landfill sites.

We are extending an invitation to you to serve as the member representing the City of Gulfport. Please RSVP to Ms. Cindy Moffitt at (601) 865-2484. If you have any questions or would like to discuss the committee or its purpose, please feel free to call Mr. Tom Sarros at the same number.
