PUBLIC NOTICE

Rel. No. 01-96  
5 January 1996

The Seabee Center's Restoration Advisory Board will host an Environmental Solutions Open House Thursday, Jan. 11, from 5pm to 8pm at the 28th Street Elementary School cafeteria. Opportunity for the public to find out more about the Seabee Center's environmental program and to speak with experts on past and future environmental solutions, dioxin, and possible business opportunities. Public encouraged to attend.
