Dear Ms. Faust-Beck:

I am requesting additional information for development of the state of Missouri's Department of Defense and State Memorandum of Agreement cooperative agreement regarding the Richards-Gebaur ARS site.

Please provide the following information by August 15, 1991:

INSTALLATION NAME

A. Background Information.

1. Location: (Distance and direction from nearest large city or recognizable land feature).
2. Size: (Acres).
3. Population: (Include those living on the installation plus daily work population, military and civilian).
4. History: (A brief description of when the installation was established and any significant changes which have occurred over the years).
5. Mission: (A brief description of the major missions performed on the installation with emphasis on those missions having the most impact on the environment).

B. Environmental Issues.

(A brief narrative on the major environmental problems on the installation. Items to be covered should include type and method of contamination, past and present disposal/storage procedures, and current situation and potential impacts).
