Dear Mr. Patrick:

Brown and Root Environmental (B&R Environmental) is pleased to submit for your review the enclosed preview copy of the Final Statement of Basis Fact Sheets for SWMU 3 and 4 at NAS Key West, Florida. Your comments from the April 1 NAS Key West Partnering Meeting have been incorporated as well as changes designating EPA as the agency performing the comment response. Please call me at (803) 649-7963, extension 345 or Scott Flickinger at extension 343, with your comments and any questions you may have regarding the enclosed document.
