RE: Action Memorandum for BRAC EE/CAs. Naval Air Station.
Key West, Florida

Dear Mr. Patrick:

I have reviewed the above referenced report dated December 1998 (received December 24, 1998). Based upon our January 26, 1999 NAS Key West team meeting as well as extensive soil excavation efforts underway at BRAC parcels, the report is adequate for its purpose and is approved as final.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
