RE: Supplemental Site Investigation (SI) for BRAC Parcels.
NAS Key West, Florida

Dear Mr. Patrick:

I have completed the review of the above referenced documents dated September 1999 (received September 29, 1999). Since your consultants, via BCT meetings and on-board discussions, addressed my previous concerns regarding the earlier version of the SI, this version is adequate for its purpose and is approved as Final.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
