RE: Proposed Plans for 11 BRAC Parcels. NAS Key West,
Florida

Dear Mr. Patrick:

I have completed the review of the above referenced documents dated June 1999 (received June 22, 1999). Based upon extensive NAS Key West team discussions and telephone conferences regarding the above proposed plans, I consider them adequate for their purposes. Note, since the proposed plans have already been released to the public, I recommend any BRAC issues brought about by the City of Key West's Land Re-use Authority Director be discussed at our next BCT meeting.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
