RE: 3<sup>rd</sup> Quarter Monitoring Report for Flying Club Site. NAS  
Key West, Florida

Dear Mr. Glover:

I have reviewed the above referenced document dated May 2000 (received June 2, 2000). The recommendations are acceptable for their purposes and a decision to continue groundwater monitoring at this site will be made after submittal of the annual monitoring report.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
