RE: Decision Document for Ten BRAC Sites Rev. 3. NAS Key West, Florida

Dear Mr. Patrick:

I have reviewed the above referenced document dated May 2000 (received May 26, 2000). Based upon NAS Key West team discussions, the document appears to be adequate for its purpose. As noted in previous NAS Key West meetings, upon signature of the Decision Document by the installation Comanding Officer, our Secretary will then make official concurrence on the Decision Document and the chosen remedial alternatives for the above site.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
