Re: Munitions Response Program Expanded Site Inspection Report for the
Fleming Key Dredge Spoil Area
NAS Key West, Key West, Florida
Contract No: N62470-11-D-8013
CTO: JM20

Dear Ms. Vaught,

The enclosed Expanded Site Inspection Report was finalized by Resolution Consultants after review by U.S. Navy subject-matter expert(s) and FDEP regulatory oversight stakeholder(s). The report can be considered the completed version for your permanent records.

Any questions regarding this correspondence should be directed to Mr. Todd Haverkost, Task Order Manager {901.490.7283; thaverkost@ensafe.com}, or Mr. Michael Ervine, Quality Assurance Manager {410.920.9071; michael.ervine@aecom.com}. Thank you.

Sincerely,

Resolution Consultants

By: Brian S. Brunette, PGP
