Contract Task Order No. 0032

Subject: BRAC Cleanup Plan, Revision 1  
Naval Air Station Key West, Florida

Dear Mr. Patrick:

Tetra Tech NUS, Inc. is pleased to submit Revision 1 of the BRAC Cleanup Plan for the Naval Air Station (NAS) Key West, Florida. This revision includes changes made based on comments received from the U. S. Navy, U. S. Environmental Protection Agency, and the Florida Department of Environmental Protection. At your request, copies of this document are being distributed to the members of the NAS Key West Partnering Team and Restoration Advisory Board. Comments on this Revision 1 document are expected to be submitted Phillip Williams or me within 30 days.

Please call me at (803) 649-7963, extension 345, if you have any questions regarding the enclosed document.

Sincerely,

C. M. Bryan  
Task Order Manager
