Dear Mr. Reed:

Department personnel have completed the technical review of the Interim Final, Point-by-Point Responses to Regulatory Comments on the Final RCRA Facility Investigation Work Plan and the Interim Final RFI Work Plan Volumes I, II & III for U.S. Naval Station Mayport. Although all of the documents were reviewed, only the Work Plan Volumes I & II were reviewed for adequacy. The others were only reviewed for negative comments. Volumes I & II were determined to be adequate for their purpose, and there were no negative comments on the remainder of the documents.

If I can be of any further assistance with this matter, please contact me at (904)488-0190.

Sincerely,

Eric S. Nuzie
